## Personal Health Assessment

### Pricing Info

The *Wellstream* Personal Health Assessment is one of the most affordable and cost-effective tools in the industry. There are several pricing options available including costs for your entire population; costs for only those that log in; and costs for hard copy administration. To ensure that everything goes smoothly, you'll want to plan for a one-time set-up fee that will cover the cost of the preparation of your communications materials and the administration of your *Wellstream* database.

We have outlined the pricing options in detail below. For larger populations, discounts will apply.
